

HEALTHY LIFE WITH RICH SUPPLEMENT....

ALTEFORD[®] M GOLD

Lycopene, Lutein, Betacarotene, Black Grape Seed Extract, Selenium & Zinc Softgel Capsules

Indication:

- Premature aging
- Coronary heart disease
- Oxidative stress
- Infertility
- General debility
- Immunity

...Keeps fit & Active

Lycopene

- 100 times more efficient single-oxygen quenching action
- Decreases oxidative stress & bone resorption in postmenopausal women

Life table analyses indicated an 11-year difference in life expectancy between those with low and high plasma lycopene

Lutein

- Prevents symptoms of age related macular degeneration (ARMD)
- Lessens arthritis and reduces osteoarthritis pains
- Helps increasing skin lipid contents, hydration & elasticity

Betacarotene

- Lowers the risk of macular degeneration play in providing protection against heart disease

- Neutralize free radicals in human cells
- Reduces the risk of CVD and heart disease
- Assist in the formation of red blood cells & in the metabolism of proteins and fats
- Promotes a strong immune system and production WBCs

Restores & Maintains BONE STRENGTH in all phases of life

CALTEBONE[®] CT+

Calcitrol .25, Calcium Carbonate 500 mg, Vitamin K2-7 45 mcg, Zinc Sulphate Monohydrate 7.5 mg, Folic Acid 1.5 mg, Vitamin B6 & Methylcobalamin 1500 mcg Soft Gel Capsules

Pregnancy & Lactation

- ◆ Maintains the maternal bone loss and improves infant bone development

Elderly Women

- ◆ Maintains bone strength & slows the loss of cortical BMD

Post Menopausal Women

- ◆ Reduces the risk of developing osteoporosis during early menopause

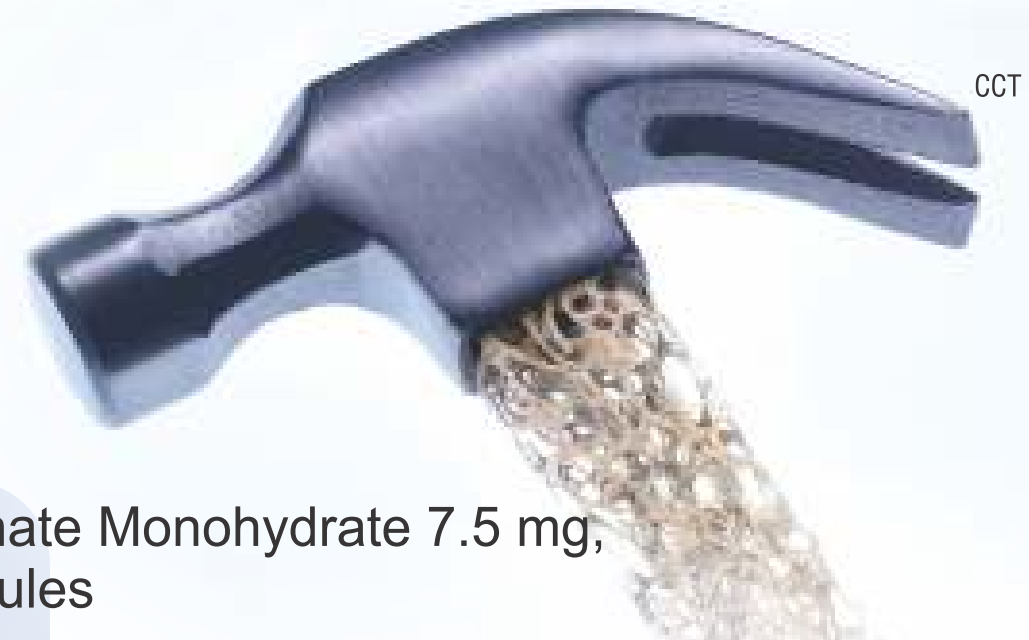

Osteoporosis

- ◆ Counteracts the increase of PTH thereby decreases bone resorption & fracture risk

Indications

- ✓ Pregnancy
- ✓ Osteoporosis
- ✓ Post-Menopause
- ✓ Elderly women

**The Calcium
for all Restores Calcium**

To Regenerate Cartilage & Have pain free joint Mobility

Rx

CALTEBONE[®] GM

CGM

Tablet

Glucosamine Sulphate 500 mg, Collagen Peptide Type-II 200 mg, Chondroitin Sulfate sodium 100 mg, Rosehip Extract 10 mg, Ginger Extract 10 mg, Boswellia Extract 2 mg, Vitamin D3 (200 IU) 5 mcg, Vitamin B12 1 mcg, Zinc 5 mg, Copper 1 mcg & Sodium Hyaluronate 30 mg

Glucosamine Hcl

- Promotes regeneration of cartilage
- Improved pains in patients with no adverse effects

Chondroitin Sulphate

- Improves joint function & elasticity in cartilage
- Slows progression of osteoarthritis
- Reduces pain and inflammation

Sodium Hyaluronate

- Reduces adhesion formation of the affected tendons with their sheaths

Collagen Peptide Type II

- Stimulate the growth of new cartilage
- Inhibits the enzymes that break down Cartilage
- Improves joints flexibility & mobility in joint function

Rosehip Extract :

- Protective effects against oxidative stress
- Decreases use of rescue medication Reduces Pain
- Improves mobility, Does not affect weight
- No ulcerogenic effect like NSAIDs

Indications :

- Back pain
- Joint Pain
- Osteo arthritis
- Gout
- Rheumatoid arthritis

**A Powerful Antioxidant
for many ailments....**

- In**
- ✓ **Diabetics**
 - ✓ **Heart diseases**
 - ✓ **Oxidative stress**
 - ✓ **Male & Female infertility**

**The miracle of green tea
better to be deprived of food for
three days, than tea for one**

Oxyberg[®] Plus

OBP

Methylcobalamin 1500 mcg, Alphalipoic Acid
100 mg, Folic acid, Vit B1, Pyridoxine Capsules

- Protect against oxidative STRESS
- Possesses highest anti-oxidant activity than any other carotenoid.
- Boosts the body immunity
- Vital Role in the prevention of aging related degenerative diseases.

**“ National Institute of Nutrition ”
New guidelines recommend. Jun 2011.....**

Tea contains flavonoids and polyphenols that are known to reduce the risk of Coronary heart disease and stomach cancer.

Caltefer[®] Gold

Soft Gel Capsules

Myo-Inositol 55 mg,
D-Chiro-Inositol N-acetylcystine 25 mg,
Minerals, Vit D3, Vitamin B12 Softgel Caps

CFG

Key Benefits:

- Berberine lowers high cholesterol and reduces lung inflammation
- Inositol helps in depression, insomnia, reduces high cholesterol
- Helps in treating PCOS (Polycystic ovary syndrome)
- Helps improving Impotency
- D-chiro inositol reduces blood pressure, triglyceride levels, prolactin levels, luteinizing hormone levels, follicle stimulating hormone levels
- Treats polycystic ovary syndrome (PCOS), Obesity, insulin sensitivity
- Regulates mood, nerve signalling
- Improves brain and liver health
- Melatonin acts as a supplement
- It is used to help adjustment of sleep wake clock of the body or curing the sleeplessness caused due to reasons like jet lag, long working hours, change in work shifts etc.
- Vitamin D3 increases bone strength and prevents bone disorders like rickets, osteomalacia, Osteoporosis
- Chromium picolinate prevents chromium deficiency
- Reduces blood sugar levels, abnormal cholesterol levels, overweight and depression in patients with polycystic ovaries (PCOS)
- Improves memory, blood flow, rate of heart muscle after heart attack damage

- ▶ Useful in treatment of nutritional deficiencies
- ▶ Promotes overall health by enhancing the metabolism of proteins, fats and carbohydrate
- ▶ Metabolism of the body is improved
- ▶ Helps in prevention of cell damage
- ▶ Helps to fight against deficiencies like anaemia

Feel the power of Lycopene

AGNEURON[®] Gold

L-Lcarnitine L-Tartrate 50 mg, L-Arginine 50 mg, Astaxanthin (10%) 20 mg, Zeaxanthin (10%) 1 mg, Zinc Sulphate 12 mg, Lutein (10%) 10 mg, Lycopene (10%) 2000 mcg, Grape Seed Extract (10%) 50 mg **SOFT GEL**

AGG

- ◆ Protect against oxidative stress.
- ◆ Possesses highest anti-oxidant activity than any other carotenoid.
- ◆ Boosts the body immunity.
- ◆ Vital role in the prevention of ageing related degenerative diseases.
- ◆ Essential for healthy immune system & supports in normal growth & development

Indications:

- Diabetes
- Heart diseases
- Oxidative stress
- Male & female infertility

AGNEURON[®] Gold

AGNEURON[®]-LC

L-Carnite, L-Tartrate 745 mg,
Methylcobalamin 1500 mcg, Folic Acid 1.5 mg Tab

*Essential
Supplement to Defect
the Pregnancy Complications*

Prevention of pregnancy
complications

- ◆ Preeclampsia
- ◆ Neural tube defects
- ◆ Preterm Birth
- ◆ IUGT

- Lowers the risk of pre-eclampsia during pregnancy by improves fetal vasodilation through increase production of nitric oxide and foetal nutrient delivery
- Effective in improving sperm kinetic features in patients affected by male infertility
- Protects against fetal structural anomalies, including NTD and congenital heart defects
- Necessary for normal foetal spine, brain and skull development
- Important nutrient in the maintenance of bone health
- Protects the membranes from free radical attack
- Improves health and prevents chronic disease by increasing nutrient intakes

**Powerful
Nutrients
for **Speedy
Recovery****

AGNEURON[®]-5G

Softgel Capsules of Omega-3 Fatty Acids, Green tea Extract, Ginkgo Biloba, Ginseng, Grape Seed Extract, Vitamins, Minerals Antioxidants and Trace elements

Indications

- ◆ Immune deficiency conditions
- ◆ Malaise and fatigue
- ◆ Skin Disorders
- ◆ General Weakness
- ◆ Along with antibiotics
- ◆ Cataract & Eye illness
- ◆ Convalescence and stress
- ◆ Elderly & Diabetic Patients
- ◆ CVS / CNS Disorders

A5G

POWERFUL NUTRIENTS FOR SPEEDY RECOVERY

Fullfills every requirement of **Blood Production...**

CALTEFER[®]-XT TAB

Ferrous, asparto-glycinate 100 mg, L-Methylfolate 300 mcg, Methylcobalamin 500 mcg

DOSAGE :

1 Tablet a da or as
prescribed by
the physician.

Ferrous Asparto Glycinate

- Is an effective iron-amino acid chelate in the management of iron deficiency anemia (IDA) as compared with ferrous ascorbate.
- Significantly higher levels of haemoglobin and ferritin were noticed with ferrous asparto glycinate treatment as compared with ferrous ascorbate.

L-Methylfolate

- It is especially important in aiding rapid cell division and growth
- Dificiency causes hindrance to erythropoiesis and causes production of large immature RBC's

Indication:

- Iron Deficiency anemia
- Pernicious anemia
- Pregnancy

Cyanocobalamin

- Has efficacy for the treatment of pernicious anemia
- As effective as conventional injection therapy, and useful for long-term treatment

STRONG BONES CARRY YOU THROUGH LIFE...

CALTEBONE[®] XT

Calcium, Vitamin D3, Methylcobalamin, L-Methylfolate
Calcium & Pyridoxal-5-Phosphate Tablets

Calcium Carbonate

- Superior bioavailability & better absorption
- Time tested & Clinically proven

Vitamin D3

- Helps in maximum calcium absorption
- Manages hypocalcemia in patients undergoing dialysis for chronic renal failure.

Methylcobalamin

- Helps in the formation of osteoblast cells

L-Methylfolate Calcium

- Primary biologically active isomer of folic acid and the primary form of folate in circulation

Pyridoxal-5-Phosphate

- Active form of Vitamin B6
- Enhancing the calcium and mineral content of bones

Indication:

- Post Menopausal Osteoporosis
- Senile Osteoporosis
- Hypothyroidism
- Hypocalcemia
- Renal Osteodystrophy
- Bone Fracture
- Rickets
- Osteomalacia
- Latent Tetany

“Metabolize
your body to ***boost up”***

Indications

- ✓ Male & Female infertility
- ✓ Powerful Antioxidant of CoQ10, Lycopene
- ✓ All types of Cancers & HPV infection
- ✓ Preeclampsia
- ✓ Erectile Dysfunction
- ✓ Cardiovascular Complication
- ✓ Neurodegenerative disorders

PSQ[®] Plus

Ubedecaronene 100 mg, Omega Fatty acids lycopene 5000 mcg, Mixcarotene, Wheat germ oil calcium ascorbate vit B12, Selenium Dioxide and Zinc Sulphate Soft gel Cap

- Supports to increase Sperm motility Sperm count & Seman Fluid. Strong formation of egg or ovulation
- CoQ 10 Protects DNA, RNA by preventing aging damage of cristae of mitochondria.
- Nitric oxide Stimulating effect, Improves erectile dysfunction
- Used algemers, Parkin's Disease and neuromuscular disorders

PSQ

Also Available: **PSQ[®] 300**

Ubedecaronene 300 mg Soft gel Cap

For ever Lasting Youthfulness...

Acidity & Motility

PANBERG[®]-DSR

Pantoprazole 40 mg, Domperidone (SR) 30 mg Capsules

Pantoprazole

- A Potent gastric acid inhibitor blocks the acid secretion

Domperidone

- Increases GI motility, Thereby facilitating the movement of acid contents further down in the intestine preventing reflux esophagitis and there by controlling Nausea and vomiting

Indications

- ✓ Acute Nausea & Vomiting
- ✓ Heartburn
- ✓ Reflux Oesophagitis
- ✓ Gastric Ulcer

PANBERG-DSR

THE ULTIMATE SOLUTION

When acidity create **burning sensation....**

PANBERG[®]-LSR

Pantoprazole 40 mg, Levosulpiride 75 mg Capsules

- ▶ **Gastric Ulcers**
- ▶ **Duodenal Ulcers**
- ▶ **Reflux Oesophagitis**
- ▶ **Zollinger Ellison Syndrome**

Pantoprazole:

- A proton pump inhibitor drug.
- Used for short-term treatment of erosion and ulceration of the esophagus caused by gastro esophageal reflux disease.

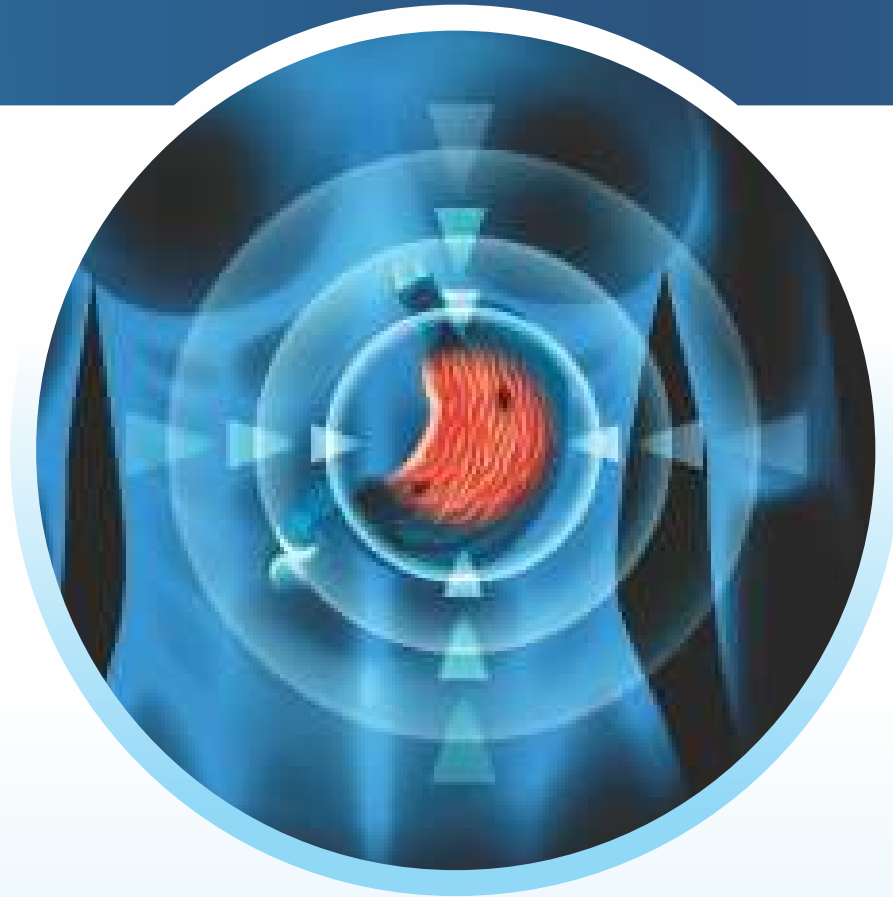

Levosulpride:

- An atypical neuroleptic mood elevating properties.
- A substituted benzamide anti-psychotic and prokinetic agent central and peripheral levels.

Extend your Reach in Treating Acidity & Nausea...

OXERAB[®]-DSR

Rabeprazole 20 mg, Domperidone 30 mg Capsules

A Concrete Step for Quick Relief...!

Potent H₂ Receptor blocker

Corrects Balance between acid & Motility

In

- ✓ Reflux oesophagitis
- ✓ Acid aspiration cases prior to surgery
- ✓ Heartburn - Dyspepsia
- ✓ Bloating and regurgitation

**A NOVEL COMBINATION TO
TREAT ACIDITY EFFECTIVELY**

**Stop Uncomfortable
symptoms of**

Acid Reflux with

OXERAB[®]-LSR

Rabeprazole 20 mg & Levosulpiride 75 mg Capsules

Rabeprazole:

- Is safe and effective in reducing the symptoms of GERD and produces profound and long-lasting inhibition of gastric acid secretion

Levosulpiride

- Useful therapeutic option in the management of patients with functional dyspepsia, as well as in those with delayed gastric emptying

Indications

- ✓ Gastritis/Non Ulcer Dyspepsia
- ✓ gastric / Duodenal ulcer
- ✓ Reflux Oesophagitis
- ✓ Bloating / Fullness / Belching
- ✓ NSAID Induced Dyspepsia

For potential Rise up to
***body defence in
Depleted Situations***

- Indications**
- ✓ Convalescence
 - ✓ Diabetic Neuropathy
 - ✓ Physical & Mental Stress
 - ✓ Restorative Therapy During Illness
 - ✓ Depressive Tendencies
 - ✓ Alzheimer's Diseases

AGNEURON[®] PLUS

Soft gel Cap

Methylcobalamin, Alpha Lipoic Acid, Inositol, Chromium Polynicotinate, Folic Acid, Selenium & Benfotiamine Soft gel Capsules

- ◆ Important for energy metabolism and in the initiation of nerve impulses
- ◆ Synthesis of the insulating sheath around nerve cells
- ◆ Essential for various enzymatic activities
- ◆ Offers excellent oxygen free radical quenching activity
- ◆ Aids in growth & development of cells
- ◆ Plays an important role in differentiation of immune system
- ◆ Minimizes the Cardiovascular & Cancer Complications
- ◆ Minimizes LDL cholesterol levels & lowers the incidence of Atherosclerosis

**Raises up IMMUNITY
for Potential Rise in Health
For Complete Family.**

Let Patient GRAB the additional Benefits

AGNEURON[®]-NT

Gabapentin 400 mg + Nortriptyline 10 mg Tab

- ◆ All peripheral neuropathies
- ◆ Alcohol induced neuropathy
- ◆ Reflex sympathetic
- ◆ Post herpetic neuralgia

Indications

- ✓ Chronic Pain
- ✓ Diabetic Neuropathy
- ✓ CRPS (Complex Regional Pain Syndrome)

- Produces protective & neuropromotive effects
- Prevents neuropathic pain & improves neuronal activities
- Reduces the hyper activated neurotransmitter release

Light of Life in Neuropathy Problems

AGNEURON[®] PG

Methylcobalamin 750 mg, Pregabalamine 75 mg Cap

Pregabalin

- ◆ An anticonvulsant drug used for neuropathic pain and as an adjuvant therapy for partial seizures with or without secondary in adults.
- ◆ Pregabalin has shown greater potency than gabapentin in pain and seizure disorders.

Methylcobalamin

- ◆ Acts as a neuro protective, promotes myelination by promoting the synthesis of lecithin.
- ◆ Relives burning sensations, numbness, loss of sensation & muscle cramp in diabetic neuropathy.

*Tone ups
Nerves
System*

Indications

- ✓ Fibromyalgia
- ✓ Epilepsy
- ✓ Seizures
- ✓ Diabetic Neuropathy
- ✓ Postherpetic Neuralgia

A CAPSULE A DAY FOR A HEALTHY DAY

Enhances patient's quality of life....

AGNEURON[®]-G

Methylcobalamine 750 mg, + Gabapentin 300 mg Tab

*A Capsule a day for
Healthier Days*

Indications

- ✓ Diabetic Neuropathy,
- ✓ Peripheral Neuropathy,
- ✓ Drug Induced Neuropathy,
- ✓ Post herpetic neuralgia,
Bell's Palsy,
- ✓ Alcohol Induced Neuropathy....

*The comprehensive and
Balanced
Antioxidant*

Altehar[®]

For Strong Hair

Minoxidil 5 % +
Finasteride 0.1 % Topical Solution

*Nourish from within
in to reveal outside beauty*

Hair

- Acts As Natural Hair Conditioner, Keeps Hair Shiny & Soft
- Enriched With Essential Minerals For Better Scalp Health
- Increases the Strength of Hair and Prevent its Breakage
- Protect hair loss

Skin

- Restores moisture & Softens & Skin
- Reduces itching, redness & swelling
- Dries weeping blisters
- Brightens complexion
- Reduces excessive oil

Altehar[®]

Biotin 10 mg, Folic Acid 5 mg, Amino Acids,
Calcium Pentonate, Nicotinamide,
